### Events / Performances

Schedules will be sent out in due course if necessary since at present, following COVID restrictions, it is not possible to issue any set performance dates. Further events will be added to the calendar as the year unfolds, health directives permitting.

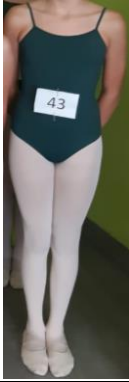

### Examinations

Individual emails will be sent out in due course. We will keep monitoring the situation pertaining to examinations on an international level however, at this stage, as a school we still do not feel comfortable with the possibility of hosting an examiner in-house. As per our school policy we would require examiners to swab and as a result this may mean that an exam gets cancelled in the 11<sup>th</sup> hour. We will continue to monitor the situation and remain open to the remote examinations where possible. The decision as to whether or not students will sit for their examinations at all in this online format will be dependent on the regulations and guidelines set out by the relevant Societies/Examining Boards as well as the level of the examinations concerned.
